Sherburne National Wildlife Refuge

Summer Bird Tour

Saturday, June 1, 2013
8:00 - 11:00 a.m.

Meet at the Blue Hill Trail on
Sherburne County Road 9, five miles west
of Hwy. 169

Ten warbler species and nine sparrow species are possible. Learn songs of our summer residents. Many other songbirds, cranes, herons, cormorants, ducks, geese and trumpeter swans are expected, as well as hawks and eagles. Recent sightings, weather and preferences of the group will determine the itinerary, which may include walking parts of both the Mahnomen and Blue Hill Hiking Trails, and driving around the 7-mile long Prairie's Edge Wildlife Drive. This tour is free and open to everyone.

Pre-registration is required.

For more information or to pre-register for this tour, call
763/ 389-3323 x 13 - TTY users 1-800-877-8339

Bring insect repellent, water, field guide and binoculars
